

RECREATION, SPORT & TOURISM, MS

for the degree of Master of Science in Recreation, Sport & Tourism (on campus & online)

The M.S. degree may be undertaken as a terminal professional track program or serve as the first step toward the Ph.D. program.

The Department of Recreation, Sport & Tourism offers programs of study leading to the Master of Science and Doctor of Philosophy degrees. The Master of Science program educates students about leisure behavior, public parks and recreation systems, sport and tourism, in various private, public and semi-public settings providing leisure services. The Ph.D. program is designed to develop researchers and educators in the study of leisure behavior, the management of recreation, tourism, and sport systems that provide leisure services, or both.

Admission

The Graduate College admission requirements apply. Specifically, the admission requirements are a minimum grade point average of 3.0 (A = 4.0) for the last two years of undergraduate work and any graduate work completed. In accordance with Graduate College requirements, applicants must receive a minimum score on the TOEFL of 103 and on the IELTS a minimum score of 7.5. Students are also required to provide an academic statement of purpose, a personal statement, and three letters of reference (at least one should be an academic reference). Campus-based MS students may be admitted for the fall or spring semesters. Online MS students may be admitted for the fall, spring, or summer semesters.
